

" Maybe tomorrow thinking will be the same as doing."

Lukas
Brand Strategy

Tomorrow is our home.

Find out how you can enjoy, grow and perform at BSH Home Appliances Group: As a leading manufacturer of home appliances and solutions, we encourage commitment and open-mindedness among our employees. With our global brands Bosch, Siemens, Gaggenau and Neff as well as our local brands, our focus truly is on innovation. And that doesn't just apply to our products and services, but also drives the way in which we cooperate, exchange ideas and organize our teams. Everyone is invited to make their individual contribution to our overall success. Join us now and give your career a home.

Engineer for electrical drive controls (m/f/d)

BSH Hausgeräte GmbH | Full time / Part time | permanent | Job-ID: 50/21
Berlin

Your responsibilities

You will work in an exciting and international environment and contribute personally to the company's success. You can expect challenging tasks and projects such as

- / Development of motor control systems of field-oriented controlled (FOC) permanent magnet synchronous motors (PMSM) in household appliances
- / Requirements engineering and responsibility for function/software specifications
- / Execution of device/component tests as well as error analysis and troubleshooting.

Your benefits

- / Flexible working time models and a wide range of career opportunities
- / Individual development opportunities and international support programs
- / Attractive company pension plan and modern health benefits

Your profile

- / Successfully completed university studies in electrical engineering, computer science, technical computer science or comparable
- / Sound knowledge of physics, mathematics and control engineering
- / Experience in modelling and simulation of control systems - ideally in Matlab/Simulink
- / Experience in software development, good knowledge of the programming language C - ideally for embedded systems with real-time behaviour
- / Systematic and analytical way of working, strong communication skills, ability to work in a team and motivation
