Everyone is invited to make their individual contribution to our overall success. Join us now and give your career a home.

## Manager Corporate Strategy & Transformation (f/m/d)

BSH Hausgeräte GmbH | Full time |  
Munich

### YOUR RESPONSIBILITIES

You will directly contribute to the BSH group's success by working on the corporate strategy and project-driven execution of the same. Closely with the board of management, you will work to accelerate achieving BSH's strategic targets. This role is for a leader who is passionate about driving:

- / Strategy development and consulting for the BSH corporation esp. for transformation & cross-functional topics
- / Moderation and facilitation of strategy discussions
- / Management of strategic projects on behalf of the board management and corporate divisions
- / Support of the board with research, (business area) reviews, evaluation of future business opportunities and presentations for versatile purposes
- / Management and optimization of the strategic planning process for the entire BSH group and its corporate divisions

### YOUR BENEFITS

- / Modern and diverse working methods and technologies
- / Individual development programs, international perspectives and diverse career opportunities
- / Attractive, employer-funded company pension plan and modern health benefits
- / Flexible working time schemes and mobile working

### YOUR PROFILE

- / At least 5 years of experience in corporate strategy / strategic planning with leading strategy consulting or industrial company
- / Self-motivated, results-driven and autonomous, taking responsibility for achieving your targets. Ability to juggle multiple priorities.
- / Excellent analytical and conceptual problem-solving skills with the ability to structure complex topics effectively
- / Excellent written and verbal communication skills with the ability to persuade, convince and explain complex concepts up to board level.
- / Ability to work with cross-functional teams across various functions and execute project plans in a dynamic environment
