Digital Transition

Tomorrow is our home.

See how easy it is to explore new ideas at BSH Home Appliances Group: As a leading manufacturer of home appliances, we improve people's quality of life by thinking in solutions. With our global brands Bosch, Siemens, Gaggenau and Neff as well as our local brands, we explore innovative technologies from voice recognition to artificial intelligence. As we utilize these to create new user experiences, we think, prototype, build – and keep on learning. Join us now and give your career a home.

IT Project Manager – Security (m/f/d)

BSH Electrodomésticos España, S.A. | Full time |
Santander, Valencia, Pamplona, Zaragoza

YOUR RESPONSIBILITIES

You will be working in an exciting, international environment and contributing personally to the company's success. As member of the Global Digital Service team, you will be involved in:

- / Advising on information security requirements and cybersecurity best practices.
- / Coordinating identification and assessment of information security risks & providing support in the definition of information security measures.
- / Coordinating or conducting information security awareness measures for employees and the management.
- / Monitoring information security compliance status. Regular and ad-hoc reporting (e.g. in case of security incidents).
- / Assisting in the detection, handling and analysis of information security incidents.

YOUR BENEFITS

- / Flexible working time schemes and possibility of home office (50%).
- / Discounts in BSH homeappliances and other benefits.
- / Free access to our online learning platform, including languages.
- / Subsidised food.
- / Company bus.

YOUR PROFILE

- / Degree in computer science with special focus on information security.
- / Expert knowledge in Information Security Management Systems and Risk Management. Experience in supporting incident handling.
- / Familiar automatizing information security control monitoring. Scripting is a plus.
- / Strong communication and stakeholder management skills. Familiar with agile frameworks and agile way of working.
- / Fluent in English mandatory.
