YOUR RESPONSIBILITIES

We are seeking a Product Content Specialist for our Dish Care portfolio to drive innovation, manage product lifecycle, and deliver consumer-centric solutions. The role involves cross-functional collaboration, market analysis, and strategy execution to strengthen category growth.

- / Bring products to life by creating localized, consumer-friendly content for multiple Adriatic East countries.
- / Transform data into stories! Translate, shape, and present product information that stands out.
- / Ensure perfection – publish new products with complete, accurate, and flawless specifications.
- / Boost visibility – develop SEO-optimized content in text, images, and videos to attract consumers.
- / Drive impact – support marketing teams with compelling content for launches and promotions.

YOUR BENEFITS

- / An indefinite-term employment contract, including a three-month probationary period.
- / A dynamic international environment with extensive opportunities for personal and professional growth.
- / Flexible working arrangements, including the possibility of home office.
- / An attractive compensation package with annual performance bonus, medical subscription, and additional benefits.

YOUR PROFILE

- / A university degree in Marketing, Engineering, or a related field provides the foundation for this role.
- / Proven experience in product management, preferably in the home appliance industry, is essential to bring relevant market and category knowledge.
- / A strong understanding of market analysis and consumer trends is required to shape product strategies and drive innovation.
- / Excellent communication skills, adaptability to evolving business needs, and a collaborative mindset are key to thriving in a dynamic environment.
- / Up to five years of professional experience; junior/apprentice welcome!
