Senior IT Auditor incl. Cybersecurity (m/f/d)

BSH Hausgeräte GmbH | Full time / Part time |
Munich

YOUR RESPONSIBILITIES

This isn't about ticking boxes: We're seeking a Senior IT Auditor to act as a trusted advisor, shaping the future of our IT and cybersecurity environment. Your conceptual skills will be key to connecting technology to the strategy direction of BSH and our audit department.

- / Plan and conduct risk-based IT and cybersecurity audits for various systems, applications, and infrastructures
- / Identify and evaluate vulnerabilities, developing concrete recommendations to strengthen our cybersecurity and control environment
- / Create meaningful audit reports and present your findings and recommendations convincingly to management
- / Drive the continuous development of our audit processes and methodologies, acting as a catalyst for new technologies and approaches
- / Guide teams on assurance and advisory projects focused on IT governance, operational efficiency, and cybersecurity enhancements

YOUR BENEFITS

- / Flexible working hours schemes and diverse career opportunities
- / Individual development programs and international perspectives
- / Modern healthcare services

YOUR PROFILE

- / University degree in computer science, information security, or a comparable field with a strong IT focus. CISA, CISM, or CISSP are highly desirable
- / Several years of professional experience in IT audit, with a proven focus on cybersecurity. You go way beyond IT General Controls
- / Proficient with IT and security standards (e.g. COBIT, ISO 27001, NIST) and usage of data analysis in your audits
- / Strong analytical skills, think conceptually, and communicate confidently
- / Communication of technical concepts effectively in business-fluent English. Additional language skills (e.g., German) are a strong asset

I look forward to your application.
