- / Oversee internal distribution, communicate daily volumes and estimations with service providers, and drive process improvements
- / Prepare monthly reports for authorities (AFM, Intrastat) and monitor inbound logistics KPIs, customs activities, and material supply
- / Support direct shipments from factories to RO/BG customers, including transport coordination, documentation, and invoice processing
- / Assist in tender activities, logistics projects, and continuous improvement of local processes

YOUR BENEFITS

- / A permanent employment contract with a 3-month probation period, giving you stability and security
- / The chance to be part of an international team with plenty of opportunities to grow both personally and professionally
- / Flexible working hours and the possibility to work from home, helping you balance work and life
- / A competitive benefits package, including an annual bonus, mobile phone, medical subscription, and other perks designed to support you

YOUR PROFILE

- / University degree in Economics (Logistics specialization a plus)
- / Minimum 5 years of experience in Logistics, including a minimum of 2 years in planning
- / Advanced English and strong analytical & IT skills (MS Office, Analysis for Office; SAP a plus)
- / Excellent communication and presentation skills, with the ability to work both independently and collaboratively in a team environment
- / Strong analytical and conceptual thinking, eagerness to learn and adapt quickly, and a high level of self-initiative
