

»Maybe tomorrow diversity will empower us to pioneer solutions.«

Robin

Supply Chain Europe

Tomorrow is our home.

Find out how you can enjoy, grow and perform at BSH Home Appliances Group: As a leading manufacturer of home appliances and solutions, we encourage commitment and open-mindedness among our employees. With our global brands Bosch, Siemens, Gaggenau and Neff as well as our local brands, our focus truly is on innovation. And that doesn't just apply to our products and services, but also drives the way in which we cooperate, exchange ideas and organize our teams. Everyone is invited to make their individual contribution to our overall success. Join us now and give your career a home.

Senior Controlling Analyst (m/f/d)

BSH Hausgeräte GmbH | Full time / Part time |
Munich

YOUR RESPONSIBILITIES

You will work in an exciting and international environment and make a personal contribution to the company's success. You can expect challenging tasks and projects, such as:

- / Independently analyze financial key data, derive actions, and discuss with Senior IT Management
- / Ensure proper execution of business planning and forecasting procedures
- / Act as a consultant for one IT area and support in all financial matters
- / Perform financial analysis of the main IT Service Provider, drive cost efficiency measures and strengthen financial co-operation with BSH IT
- / Take over global responsibility for financial expert topics and continuously drive them forward considering the target operating model

YOUR BENEFITS

- / Remuneration according to the collective agreement of "Metall- und Elektroindustrie" (30 days vacation, additional payments)
- / Flexible working time models that adapt to current life situations (e.g. mobile working, part-time, job sharing, sabbatical)
- / Promotion of professional and personal development at BSH's internal Global Learning Campus
- / Attractive company pension plan financed by the employer

YOUR PROFILE

- / Master's degree in business administration, economics or similar combined with an interest in and understanding of information technology
- / Very good knowledge of business planning, month-end closing, and forecasting processes
- / Project Management and Stakeholder Management skills to handle complex projects incl. strong communication skills up to senior management
- / A high level of initiative and resilience as well as excellent analytical skills
- / Business fluency in both english and german language
