### YOUR RESPONSIBILITIES

Kick-start your career in a 12-month global program designed to develop future key positions and leaders through real business impact, senior mentoring, and international exposure.

- / Participate in product development projects to ensure appliances are service-friendly.
- / Develop service concepts and repair procedures in line with global standards.
- / Create technical documentation and training materials, and deliver international trainings related to diagnose and repair.
- / Coordinate international technical service topics with Product Categories and Technical Centers.
- / Perform data analysis and monitor repair quality as input for improvement measures.

### YOUR BENEFITS

- / Structured 12-month development: Three distinct assignments offer broad business and cultural insights.
- / Clear home-country perspective: After the program, you will continue your career in a long-term role.
- / International exposure with local commitment: Gain global experience while employed on a local contract in your home country.
- / Accelerated development: Targeted learning, challenging projects, and close mentorship from senior leaders.

### YOUR PROFILE

- / Excellent Master's degree or comparable and first experience in a technical area (e. g. engineering, computer science)
- / Intercultural experience e.g. through semester or internship abroad and willingness to work in different locations worldwide
- / Very good English and German language skills, highly developed communication abilities
- / Strong analytic thinking skills and a business mindset, to master future challenges by contributing with fresh ideas
- / Assertiveness and willingness to go the extra mile

I look forward to your application.
