Working student AI in Global Operations Management (m/f/d)

BSH Hausgeräte GmbH | Job-ID: 76043971 | Part time | from June 2026
Munich

YOUR RESPONSIBILITIES

Are you well-versed in theory and now looking for practical experience in a dynamic company? Then use your talent and expertise to help us with the following tasks

- / Build up a comprehensive AI user toolchain supporting BSH operations management (strategy, innovation, lifecycle & project management)
- / Define an AI-ready data structure in BSH operations management
- / Conceptualize and test AI use cases & agents (e.g., knowledge management, prediction, planning), develop initial prototypes or proof-of-concepts
- / Prepare and present results and support the team in implementing initial measures
- / Prepare workshops, presentations, and documentation; update and maintain intranet pages

YOUR BENEFITS

- / Attractive employer benefits and compensation (grouping according to collective agreement of IG Metall)
- / Flexible organization of working hours by means of time account
- / Possibility of mobile working according to individual agreement (max. 50 % of working hours)
- / Working in an inspiring team with a hands-on mentality
- / Cooperation at eye level and appreciative working atmosphere

YOUR PROFILE

- / Degree in (Business) Informatics, Data Science, Industrial Engineering, or similar with a focus on AI
- / Theoretical and ideally practical knowledge in the fields of machine learning, AI, and data analysis
- / Programming skills, as well as a good command of common data analysis tools, are advantageous, in particular in Gemini & Copilot
- / A high degree of self-initiative, creative thinking, structured, analytical work style, and team spirit
