Munich

YOUR RESPONSIBILITIES

Are you well-versed in theory and now looking for practical experience in a dynamic company? Then use your talent and expertise to help us with the following tasks

- / You will be responsible for onboarding project team members, which includes ordering their access and providing basic introductions
- / You will act as the first point of contact for handling access problems for external staff
- / You will support the team by building basic presentations and preparing documentation, including meeting minutes
- / You will be in charge of working out Jira boards and ensuring program tasks follow the required structure
- / You will also provide direct support to the program management team by assisting with ad-hoc requests

YOUR BENEFITS

- / Attractive employer benefits and compensation (grouping according to collective agreement of IG Metall)
- / Flexible organization of working hours by means of time account
- / Possibility of mobile working according to individual agreement (max. 50 % of working hours)
- / Working in an inspiring team with a hands-on mentality
- / Cooperation at eye level and appreciative working atmosphere

YOUR PROFILE

- / Completed at least two years of university study in Business Administration, IT, Data/Analytics, or Project Management
- / Highly structured and reliable; passionate about project management, data analytics and AI
- / Self-starter who develops and tests ideas independently; strong interest in AI tools
- / Internship or working-student experience a plus
- / MS Office required; Jira desirable
